ELBA, ALABAMA, THURSDAY, MARCH 2, 1967

NUMBER 32

ROTARY HOE AT WORK - This is the best known means of early-season mechanical weed control in soybeans; but for maximum effectiveness, the rotary hoe must be used when weeds begin to emerge. Operate tractor at high speed to break crust and kill grass and weeds.

PTA To Meet At School Tonight

The Elba Parent Teachers Association will meet next Tuesday, March 7th, at the Elba Elementary School. There will be an art exhibit of the children's work done this year under the direction of Mrs. Sam Collier. The school building will be open at 6:30 for those who would like to see the exhibit before the P.T.A. meeting at 7:15. Mrs. Gertha Cox, Supervisor of Elementary School Art of the State Department of Education, Montgomery, Alabama, will be the guest speaker.

Legion To Honor War 1 Vets Tonight

Culver Post 42 of the American Legion and Ladies Auxiliary will hold their regular monthly meeting tonight (Thursday) at 7:00. A fish fry is planned for the evening, and all members are urged to attend.

The American Legion will celebrate its forty-eighth birthday during March, 1967, and this year also marks the 50th anniversary of the United States entrance into World War I. Because veterans of that war gave birth to the

Kennett To Head Red Cross Drive

Charles R. Kennett will direct the Fund Drive Campaign of the West Coffee Chapter of the American Red Cross. This announcement is made by Judge Fleetwood Carnley, Chapter Chairman. Judge Carnley states, "We are very fortunate in having a person of Mr. Kennett's ability to head the Red Cross drive for us. Mr. Kennett has sparked an enthusiasm for this year's drive which has been contagious among all workers. I believe that the public response to this effort will again be generous."

Mr. Kennett is Vice-President of National Security Insurance Company and resides in Elba with his wife, the former Jean East. They have two children, Ricky Kennett and Dee Kennett Brunson. Kennett served in the U. S. Marines during the second world war. He was assigned to the 5th Marine Infantry Division and saw service in the South Pacific and participated in the Battle of Two Ima.

Kennett served in the U. S. Marines during the second world war. He was assigned to the 5th Marine Infantry Division and saw service in the South Pacific and participated in the Battle of Two Ima.

Check Quality When Buying Plants

Many homeowners are unaware of the importance of quality when purchasing ornamental plants. They continue to look for bargains. "There are no bargains in plant materials. You get the quality you pay for," says Harold Thornhill, Extension Ornamental Horticulturist. "Ornamentals placed on a bargain counter are generally poor quality or damaged plants."

Many plants lose their quality in the sales yard by becoming too dry, the stems and foliage become discolored and discolored. Chances are these plants will never overcome the shock. Many times they live, but are very unthrifty and don't give the pleasure you are looking for in a shrub.

What is a good quality plant? Thornhill says that a good quality plant is one that is well shaped, heavily branched and densely foliated, subject to the natural growth of the variety.

When shopping for ornamentals examine the plant to see that the canes and branches are strong and well formed. Be sure the plant is well branched, with the branches evenly distributed to form a desirable shrub. The foliage should have a healthy appearance and the leaves should be of the proper size, shape, texture and color for the specie.

Always carefully examine any new plant material for signs of disease or insect damage to keep from making a bad investment as well as contaminating your existing shrubbery. "You'll be happier with good quality plants even though they might cost a little more," concludes Thornhill. "Remember - you get what you pay for in shopping for plant material." He adds that garden centers now have good supplies of top quality material, and this is a good time to plant ornamentals.

America's first organized sport was horse racing which was initiated in New York in 1664.

to increased government spending was greater than in a similar pre-election poll last October.

In the October study, also made by the Princeton opinion research firm, 71 per cent favored cutting federal spending over a tax increase, contrasted with 77 per cent revealed in the latest poll. Seven per cent favored an increase in taxes last month, as compared to 6 per cent in the current poll. Some highlights:

- 82 per cent of white-collar workers this month called for spending cuts as contrasted with only 71 per cent in October.
- The percentage of manual workers favoring a cut was virtually unchanged - 75 per cent contrasted with 74 per cent earlier.
- 78 per cent of non-union households called for a spending reduction, contrasted with 71 per cent in October. Families of union members voted 72 per cent for spending cuts in the current poll and 73 per cent last fall.
- Residents of small cities (83 per cent), of rural areas and towns (76 per cent) called for cuts, while in metropolitan cities the percentage was 72 per cent favoring reductions. These percentages contrast with 71, 74 and 69 in October.

ELBA ROTARY CLUB ladies night was observed Tuesday night at the Elba Country Club. Guest speaker for the event was Mrs. Mable Amos, center, new Secretary of State for the state of Alabama. Pictured with Mrs. Amos is Rotary president and Mrs. Harold Deal, right, and Rotarian and Mrs. V. D. McCreary, Dr. McCreary, who introduced the speaker, was well qualified for the job, having grown up in the same community, Brooklyn, Alabama, as Mrs. Amos. This lifelong friendship fully qualified Dr. McCreary for the introduction. This meeting marked the sixth anniversary of the Elba Rotary Club.

Check Tax Return Twice Before Mailing

Here's a word of advice from the Internal Revenue Service: After you prepare your 1966 Federal income tax return, it is a good idea to set it aside for a day or so and then give it a thorough review before you mail it.

District Director of Internal Revenue, A. J. O'Donnell, Jr., said that Alabama taxpayers who heed this advice often find omitted income or deductions, or errors in arithmetic. A review of the return may disclose that the taxpayer failed to provide his name, address, and zip code, omitted his social security number or listed it incorrectly, did not attach all copies of Form W-2, or forgot to sign the return.

This review will be time well spent as it may prevent delays in processing the return and will speed up any refund due, Mr. O'Donnell said.

America Demands Spending Cut to Stem Inflation

In the first nation-wide public opinion poll taken since President Johnson's State of the Union message, the public favored a reduction in federal spending over a tax increase by a 10-to-1 margin.

The study was made by the Opinion Research Corporation of Princeton, N.J. under commission by the National Association of Manufacturers. It revealed that the demand for increased government spending was greater than in a similar pre-election poll last October.

In the October study, also made by the Princeton opinion research firm, 71 per cent favored cutting federal spending over a tax increase, contrasted with 77 per cent revealed in the latest poll. Seven per cent favored an increase in taxes last month, as compared to 6 per cent in the current poll. Some highlights:

- 82 per cent of white-collar workers this month called for spending cuts as contrasted with only 71 per cent in October.
- The percentage of manual workers favoring a cut was virtually unchanged - 75 per cent contrasted with 74 per cent earlier.

General Telephone Report Increased Demand

Continued growth of the telephone exchanges served by General Telephone Company of Alabama is reflected in a year-end summary of the Company's activities during 1966.

While the company was making heavy expenditures to enlarge and improve service during the year, demand for service was reaching an all time high, according to Arnold Swallows, Vice President and General Manager.

At the end of last year, General of Alabama was serving 68,237, a twelve month increase of 6,212 or 10% over the previous year end total. Swallows noted that the company expects service demands to be even higher in 1967 as the company continues their ambitious program of constructing new facilities. He said the company is determined to provide their customers with the finest telephone service available anywhere.

In General's Enterprise District encompassing telephone exchanges in Elba and New Brockton, the growth percentage was above the company as a whole. James H. Brown, District Manager, Enterprise was the highest with a 13% gain from 4957 telephones to 5610. New Brockton was next with a rise in telephones from 413 to 464 for 12% very slightly ahead of Elba with a 11% increase.

American Indians sang to rid themselves of colds; natives of other countries ran around in circles or ate hot chili peppers.

Posthumous Award To Family

Moore of (Hickman Avenue) Elba, Alabama, and her children, left to right, Deborah, 12, Joseph, 8, and Cynthia, 11, look at the Purple Heart received by their husband and father, First Sergeant Joseph M. Moore, who was killed in action in Vietnam December 28, 1966. The award was presented to the family by Major General John J. Tolson, commanding general of Fort Rucker, Alabama, 15G Moore, who served in the Army for more than 12 years, was promoted to that rank from platoon sergeant posthumously. At the time of his death, he was assigned to Company D, 1st Battalion, 8th Cavalry, 1st Cavalry Division (Airmobile). His mother, Mrs. Mamie R. Moore, resides on Route 5, Elba.

COFFEE COUNTY HOG PRODUCERS held their annual membership meeting on Tuesday night and approximately 200 members and their wives enjoyed the meeting. Pictured here waiting for their plate of delicious pork barbecue are President Ira Allen, Vice President Robert English, Secretary-Treasurer Rufus Wilson and G. P. Phillips of the Alabama Farm Bureau in Montgomery.

Miss Sara Haire Honored At Afternoon Party

Miss Sara Priest-Haire, bride-elect, was the inspiration for an afternoon party Saturday, February 25th, when Mrs. T. T. Rhodes, Mrs. Carlton Rhodes, Mrs. Totsy Rhodes, Mrs. Ebert, Mrs. Grace Ebert, Mrs. Paul Windham, Miss Frances Jo Windham and Miss Linda Pearce.

Millers Honored On Their 50th Anniversary

Mr. and Mrs. A. O. Miller, of Samson, Route 1, celebrated their 50th wedding anniversary on January 28th.

Mr. and Mrs. Miller have four living children: Gratton Miller and James Miller, of Samson; Fred Miller, of Sanford, Florida; and Grover Miller, of Elkhart, Indiana. They have fifteen grandchildren and eight great-grandchildren.

Mrs. Miller is the daughter of the late Elder Jack Mitchell, a well known Primitive Baptist preacher.

The Millers have made their home in this area for many years.

Gregg Davis, son of Mr. and Mrs. Sam W. Davis, Jr., of Kinston, celebrated his 1st birthday on February 24th. He is the grandson of Mr. and Mrs. Sam W. Davis, Sr., of Elba, and of Mr. and Mrs. W. H. Rhoades, of Kinston.

Foreign Language Learned Faster

GENEVA, Switzerland—The new language laboratory, Tutor Sav, is a scientific aid for foreign adults who must acquire an accurate knowledge of spoken French in the briefest possible time. No books are used, but the first stage of a two-stage course is audio-visual.

At the end of a 20th-hour, six-week course, the student can acquire a vocabulary of 2,000 words and conduct a conversation in the language.

Attend The Church Of Your Choice Sunday

WHERE
THE ENDS
OF THE
EARTH
MEET

We see only wires! But at this very moment a woman in San Francisco may be speaking to her husband in Tokyo. . . . A boy at Princeton may be inviting a girl in Albuquerque to a football game. . . . and Mrs. Green of R. D. No. 1 may be placing her order with Mr. Brown of the Crossroads Store.

Here — where sixty wires cling to the cross-arms of a weathered pole — the ends of the earth meet!

It's like that in our local churches on Communion Sunday. Whether fifty or five hundred receive the Holy Sacrament. . . the ends of the earth meet. For the Lord's Supper is not a rite of one church or one denomination. It is the common sacramental feast of millions of Christians all over the world.

Are you availing yourself of this blessed privilege, and are you attending your church regularly? As you receive this Sacrament in your church, your life is linked to the lives of Christians everywhere. And you and they are united in a common communion with God!

THE CHURCH FOR ALL

ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a continuous of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalm	19	1-6
Monday	John	18	1-14
Tuesday	John	18	15-27
Wednesday	Matthew	24	24-28
Thursday	Mark	14	17-25
Friday	John	15	1-15
Saturday	John	15	16-23

Mashing Tomatoes To Become Old Fashioned

Will automation replace the thumb, that device well known to grocery store managers and used by shoppers to evaluate peaches, plums and tomatoes?

Researchers are developing instruments that use sound to measure firmness in apples, potatoes, bananas and other fruits and vegetables. Fruits and vegetables have a natural frequency which is directly related to their softness or firmness. Sound passes through them better at this frequency than any other. By

testing large quantities researchers have established standards and can determine the softness or firmness of a fruit or vegetable by comparing its natural frequency with the standard.

Eventually, these instruments may tell producers when to harvest their crops for the best quality, and packers when to take produce out of storage and put it on the market for peak flavor.

Services Held Thursday For Mrs. Clark

Mrs. Wyolene Boothe Clark, age 54, died Wednesday, February 22, in the Elba General Hospital. Funeral services were held Thursday at 2 P.M. from the Mt. Olive Baptist Church with the Reverend L. E. Pitts officiating. Burial was in the Pine Level Cemetery.

Survivors include her husband, Henry Clark, Elba; two sons, Henry Dove Clark and Joseph C. Clark, both of Elba; two daughters, Mrs. Marilyn C. Beck, Tifton, Georgia, and Miss Loy Latane Clark, Elba; her mother, Mrs. Mrs. Lettie Lee Boothe, Elba; three brothers, Malcolm M. Boothe, Finley G. Boothe, both of Elba, and Waylon Boothe, Rutledge.

John Hudgens Buried At At Friendship

John D. Hudgens, age 50, died Monday, February 20th, in the local hospital following a brief illness. Services were held at 5 P.M. Wednesday from Friendship Baptist Church with the Reverend L. E. Pitts officiating. Burial was in the church cemetery.

Survivors include two brothers, Buck Hudgens, Glenwood, and Buster Hudgens, Hartsville, Tennessee; five sisters, Miss Rose Hudgens and Mrs. Bessie Cook, both of Brantley, Mrs. Ruth Cook and Mrs. Ellen Bryan, both of Elba, Mrs. Lucille Burch, Huntsville.

Death Claims Miss Maggie Wise At Nursing Home

Miss Maggie Wise, age 79, died Saturday in the Elba Nursing Home. Funeral services were at 11 A.M. Monday from New Home Primitive Baptist Church. Burial was in the church cemetery.

Surviving are a sister, Mrs. Bell Smith, of Elba; four brothers, Sol Wise, New Brockton, George Wise, Elba, Roscoe Wise, Kinston, Allen Wise, Quincy, Florida.

Eugene Grimes' Death Follows Lingering Illness

Eugene Augustus Grimes, age 76, died Saturday following an extended illness. Funeral services were held Monday at 2 P.M. from Ebenezer Baptist Church of Curtis. The Reverend Burnie Reese and the Reverend Bernard Jones officiated. Burial was in the church cemetery with Hayes Funeral Home directing.

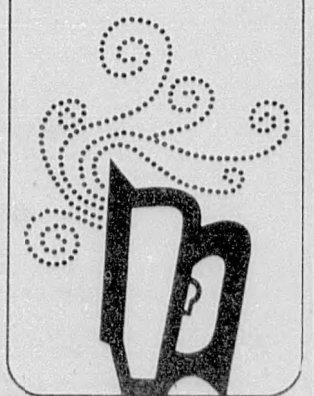

Survivors include his widow, Mrs. Lena Grimes, Elba; one son, L. A. (Pete) Grimes, Elba; one daughter, Mrs. Myra Smith, Elba; two brothers, Tottie Grimes, Opp, Spurlin Grimes, Elba; four sisters, Mrs. Cynthia Meachum, Mrs. Mary Blankenship, both of Elba, Mrs. Ellie Blankenship, Alex City, Mrs. Julia Smith, Florida.

Gus Riley Sims Buried At Danley Crossroads

Gus Riley Sims, age 61, died Sunday, February 26th. Funeral services were held at 11 A.M. Monday from Danley's Crossroads Church of Christ. Ministers Ned Young and Raymond Elliot officiated. Burial was in the church cemetery with Hayes Funeral Home directing.

Survivors include his widow, Mrs. Bona Sims, of Elba; two daughters, Mrs. Mary Sorrells, Fort Walton Beach, Florida, and Mrs. Dorothy Barr, Oklawaha; a brother, Gertha Sims, Opp; three sisters, Mrs. Della Grant, Mrs. Verbie Black and Mrs. Bertha Odums, all of Elba; six grandchildren.

CAPITAL BRIEFS

IT'S UP TO YOU
By Howard E. Kershner, L.H.D.
Our "Live Now - Pay Later" Plan

CONCERNING domestic policy, the President's State of the Union message was a more realistic of things we would like to have, without realistically facing the fact that we cannot afford them at least until the war is over. It was exactly as if a man would call his family together and say to them, "We should have a new car. We should have a new refrigerator. We should have a television, better clothing, more vacations and all the things every family wants." Then, having totaled up this new expanded budget, the head of the household proposes to increase the mortgage on the home and have a glorious time with every appearance of prosperity, spending the money. This will work until the home is mortgaged for its full value. Meanwhile increased interest and payments destroy the budget, the head of the household and bankruptcy becomes inevitable.

Our country already owes about one-half trillion dollars more than the total value of all our property. When that situation exists for an individual, he is bankrupt. In reality, that is also true of the nation, although by means of inflation, that is, confiscation of the property of its citizens, a nation can, at least for a long time, avoid actual bankruptcy. In the end it cannot do it and the proposed increase in the national debt of some twenty to twenty-five billion dollars during the next two years, with the probability that the deficit will exceed the estimate, is certainly another long step into inflation and toward bankruptcy.

The President's message does not distinguish between wants and desires on the one hand and the ability to gratify them on the other. To be sure, there is to be a six percent increase in the income tax, but that will not be sufficient to provide all the things the President proposes. The measure recklessly advocates spending money we do not have, and further increases in our indebtedness. No prudent individual or head of a nation would recommend that course. To be sure we have to prosecute the war in Vietnam, but the greater part of our increased spending during the Kennedy and the Johnson years has gone for civilian purposes. We should to without these things at least until we have finished with the war.

Congress, Cong. George H. Mahon (D-Tex.) said, "The ultimate answer is only partly in Congress; it is only partly in the White House. More importantly, control of public spending rests with the people who are the taxpayers and elect officials of government. And, it is a real challenge, because we are to some extent an undisciplined people. Congress is not going to practice restraint unless the message comes through loud and clear from the people generally."

WHO SAID IT COULDN'T BE DONE?
New York (NAPS)—When Rowland Hill came up with the idea of postage stamps in 1837, his boss, the Postmaster General, called it "the most extraordinary of all the wild and visionary schemes" he'd ever heard of. But the stamps were a success, and today 32 billion are printed annually in the U.S. alone. Another "wild and visionary scheme" made possible by the invention of the transistor is the Jet Set—a 19" portable TV set that looks like a work of art.

Monthly News

MARCH, 1967

MARCH 19-25 IS POISON PREVENTION WEEK.
All the health professions are uniting to explain to people why this is a dangerous area for those who are careless with medicines and household products.

STOP GAMBLING WITH CHILDREN'S LIVES.
It is time we gave them a "break" by not having dangerous products easily available. Any drug which has medical value is also potentially harmful. The most used drug in the world, Aspirin, is a killer for children who accidentally take too much.

CLEAN OUT YOUR MEDICINE CHEST NOW
Get rid of all leftover medicines and throw out anything which has deteriorated. Keep all medicines in a place impossible for the younger children to reach. Never take any medicine in the dark and without carefully reading the label to make certain you have the right one. Pharmacists check every label at least twice before dispensing the ingredients.

WATCH OUT FOR HOUSEHOLD PRODUCTS.
Bleaches are one of the greatest causes of accidental poisoning. All cleaners are dangerous for children. You must keep them out of their reach.

WE HAVE ACCURATE DRUG RECORDS.
If any member of your family is unfortunate enough to take an overdose of any medicine we have dispensed, after calling your physician, phone us. We can almost immediately tell you what is in any prescription and what to do till the physician arrives.

FARM NEWS

By Tom Casaday County Extension Chairman

COASTAL
John G. Benning of Route 6, Troy, telephone Union Springs 738-3237, is a Coastal Bermuda planter. Benning has planted for several people in the county and they have gotten good results. If you would like to get some planted this spring and the earlier you plant the better, contact Mr. Benning and get on his schedule because he will be planting in this area this week. You might want to call him.

BETTER GARDENS
Are you having trouble with many of your garden crops looking good for several weeks and then suddenly going bad? If so, you might be having nematode trouble. Several materials can be used, but one recommended material is Nema-gon, 30% granules, used at the rate of 4 ounces per 100 feet of row. Open a furrow about 6 inches deep with a hoe or plow and apply the material in the bottom of the furrow. Then refill the furrow with soil. Follow directions on the container for time to wait before planting on treated soil.

HONORED
Four Coffee County peanut growers were honored in Dothan this week at the Alabama Peanut Producers Recognition Dinner. Folks making the 2500 Pound Club in Coffee County are G. E. Averett of Route 2, Enterprise.

FERTILIZER
If you are going to need zinc or boron or other minor nutrients in your fertilizer, now might be a good time to see your dealer and be looked. Some folks say that there might be some shortage of fertilizer this spring. What about helping to help yourself by letting your dealer know your needs early. If you are going to broadcast your fertilizer, this could be done right away with good results. More folks are having their fertilizer broadcast, but there aren't enough spreaders in the county to take care of everybody the first week in April.

TWO-YEAR RECORD
E. L. Dean, county office manager of the ASCS office, keeps a record of peanuts by varieties. The 1965 average yield of peanuts in Coffee County were as follows: Runners were 1329 pounds per acre; Spanish were 1066; and Virginia type (Floridian) were 1541. In 1966 Runners averaged 1154 pounds per acre; Spanish averaged 1445; and the Virginia-type averaged 1496 pounds.

O. C. NOBLES, LEFT, OF KINSTON, AND ROY BAKER, right, also of Kinston, study peanut variety test chart with Specialist M. D. Bond, center. Nobles and Baker attended one of the three peanut meetings which have just been completed. With reduced acres, most Coffee County farmers are making every effort to increase their per acre yield. Bond is a member of the Auburn University Extension Specialists Staff.

FARM NEWS

By Tom Casaday County Extension Chairman

COASTAL
John G. Benning of Route 6, Troy, telephone Union Springs 738-3237, is a Coastal Bermuda planter. Benning has planted for several people in the county and they have gotten good results. If you would like to get some planted this spring and the earlier you plant the better, contact Mr. Benning and get on his schedule because he will be planting in this area this week. You might want to call him.

BETTER GARDENS
Are you having trouble with many of your garden crops looking good for several weeks and then suddenly going bad? If so, you might be having nematode trouble. Several materials can be used, but one recommended material is Nema-gon, 30% granules, used at the rate of 4 ounces per 100 feet of row. Open a furrow about 6 inches deep with a hoe or plow and apply the material in the bottom of the furrow. Then refill the furrow with soil. Follow directions on the container for time to wait before planting on treated soil.

HONORED
Four Coffee County peanut growers were honored in Dothan this week at the Alabama Peanut Producers Recognition Dinner. Folks making the 2500 Pound Club in Coffee County are G. E. Averett of Route 2, Enterprise.

FERTILIZER

Elba Native Directs Superior School Band

Spring Training Begins For Elba

Coach Wendell Hart and his Elba Tigers began spring training Tuesday afternoon with 61 boys out for training. This includes 12 that will be seniors; 15 juniors; 17 sophomores; 17 freshmen.

Auburn To Award Degrees

More than 440 degrees are to be awarded at winter quarter commencement exercises at Auburn University March 16, including 51 master's degrees.

Candidates for the degrees from Coffee County are listed below by the area of their home towns.

Enterprise: Richard Ray Wiese, Bachelor of Arts; Glenda Jean Heath and Jeannette Claire Hayes Lindsey, B.S. in Education; Kinston; Barbara Sue Maloney Mathison, B.S. in Pharmacy.

Of much interest in Elba is Carlton F. Whitman, son of Mr. and Mrs. Flournoy Whitman, of Elba, who is director of the Palmetta High School Band in Palmetta, Florida. In January he was designated by Florida's popular governor, Claude Kirk, along with his band, as Florida's official representative band at the Mardi Gras, Governor Kirk expressed to Whitman that he had full confidence that his sixty-piece unit, winner of superior ratings in state competitions on numerous occasions, would represent Florida most capably.

A happy surprise for Tiger Band Director Whitman was a gift of a large floral spray from appreciative students after returning from the New Orleans Mardi Gras festivities.

Designated as Florida's "official band unit" in the gigantic spectacle by Governor Kirk, the musicians marched in two parades that fell within 24 hours of each other. The schedule was an arduous one that allowed little sight-seeing or recreation time. The trip culminated in an effort that began in October and represented a boost in prestige for the band, school, and community, as well as personal achievement for Director Whitman.

The Palmetto Press carried streamer headlines and many pictures of the honored band and Director. Many business firms paid tribute to the group with page display advertisements.

Whitman is a graduate of Elba High School. He has been Director of the Palmetta High School Band for the past six years.

Judge Paul Denies Petition Of Divine

On February 26th, the case of Allen Lanzo Divine vs. The State of Alabama (writ of error coram nobis) claim of error in previous trial proceedings was heard in the Elba Division of the Circuit Court. Judge Eris Paul presided as in the original trial.

Divine was represented by his court appointed lawyers, Robert E. Cannon and B. B. Rowe. He was convicted on December 9th, 1964, of first degree murder in the shotgun death of Elba policeman Herman Driggers. Divine has been given five years of execution since sentencing to allow his lawyers to use another avenue of the law seeking a reversal of his conviction.

Judge denied the motion for a new trial stating that in his opinion no new evidence had been presented and that the Alabama Supreme Court had reviewed the case and found no error.

Red Cross Launches Annual Fund Drive

The American Red Cross in West-Coffee County will launch its three-week long campaign for funds to finance its programs of service in the 1967-1968 fiscal year on Monday, March 13, Charles R. Kennett, Fund Drive Chairman, announced. A proclamation designating these weeks as official Red Cross Weeks in Elba was signed by Mayor L. P. Mullins.

Quota for the campaign will be \$5,000.00. "This is an increase over last year and has been necessitated by greatly increased demands for service to the military establishment by both the national Red Cross and its chapters, and by heavy expenditures for disaster relief operations in the last two years."

JUNIOR CHOIR MEMBERS

First Baptist Choirs Win High Rating

The Youth and Junior Choirs from First Baptist Church, Elba, participated in the District Music Festival held recently at First Baptist Church, Andalusia.

Both choirs received a rating of Superior, the highest of four possible ratings: Superior, Excellent, Good and Fair. The choirs were judged on such things as appearance, tone quality, diction, accuracy of notes, dynamics, breathing and interpretation.

The festival, sponsored by the Church Music Department of the Alabama Baptist Convention, was one of fifteen District and Junior choirs were judged during the afternoon session, while Youth and Adult Choirs were judged at the evening session.

Director for both choirs was Milton A. Lites, minister of music, at the church. Accompanists were: Junior Choir, Mrs. George Collier, Jr.; Youth Choir, Suzanne Prior.

Data Processing To Begin At Trade School

Announcement was made recently at Douglas MacArthur State Trade School, Opp, Alabama, that Data Processing classes would begin March 20th.

The very latest in IBM equipment is on its way and will be installed and ready for use on opening day. Machines ordered for delivery on March 20th are: Two Printing Punch One Sorter with card counter; One Verifier; One Collator; One Reproducing Machine with extra digit and co-selector; and One Interpreter. The new IBM 1401 Computer will not be received until the school is ready for its use.

The instructor will be Mr. Paul Gray, of Verbena and Prattville, who has been employed for the past four years as Computing Room Supervisor of the First National Bank of Montgomery. He is a graduate of the John Patterson State Trade School's Department of

Commander Maxwell A. Reeves praised the wisdom and vision of World War I veterans in banding themselves together "For God and Country, to consecrate and sanctify their association by their devotion to mutual helpfulness." Commander Reeves briefly commented on the aims and the accomplishments of The American Legion in legislation for veterans benefits, and its program in Rehabilitation, Child Welfare, and Americanism activities.

Mr. Charles Newman, Andalusia, Past Department Chaplain, was guest speaker. He reminisced in telling of the change that has taken place in the American home which threatens our national security. He said that when the rocking chair, the butter churn and Calherry brush broom gave way to the push-button age, three fundamental teachings went with them—love, patience and respect for a job well-done. He said "seat belts" were popular then, too, but were worn around grand-ma's waist.

World War I veterans and wives present were: Mr. and Mrs. Frank Price; Mr. and Mrs. C. E. Hudson; Mr. and Mrs. W. S. Tucker; Mr. and Mrs. Alton Bullard; Mr. and Mrs. Roy Bullard; Messrs. John W. Walden, L. J. Dismuke; T. M. Stroud; J. J. Black; S. S. Edmondson; R. R. Borders; of Elba; Mr. G. W. Clark, Kinston; and Mr. and Mrs. Sam Williams, Troy.

Other guests were Mr. and Mrs. W. F. Holmes; Troy; Patsy Janet Newman, Andalusia; and Mr. and Mrs. Holman Taylor, Elba.

An additional 45 members of the Post and Auxiliary were also present.

POSTMAN ROBERT DAVIS OF ELBA practices gestures for Enterprise State Junior College speech class with Mrs. Carrie Jacobs, center, Elba, and Mrs. Rachel Dick, Fort Rucker.

Rotary Club Supports Understanding Week

The Elba Rotary Club is cooperating with Rotary International, in 133 countries, and sponsoring World Understanding Week during the week of March 12-18, 1967. The project was initiated with a signing of a proclamation by Mayor L. P. Mullins in ceremonies at his office last Monday morning.

Rotary president, Harold Deal, said, "The members of the Elba Rotary Club are determined to respond to this

challenging invitation with programs and projects that will bring a better knowledge of others' lives and problems to our community."

Mr. Charles Newman, Andalusia, Past Department Chaplain, was guest speaker. He reminisced in telling of the change that has taken place in the American home which threatens our national security. He said that when the rocking chair, the butter churn and Calherry brush broom gave way to the push-button age, three fundamental teachings went with them—love, patience and respect for a job well-done. He said "seat belts" were popular then, too, but were worn around grand-ma's waist.

World War I veterans and wives present were: Mr. and Mrs. Frank Price; Mr. and Mrs. C. E. Hudson; Mr. and Mrs. W. S. Tucker; Mr. and Mrs. Alton Bullard; Mr. and Mrs. Roy Bullard; Messrs. John W. Walden, L. J. Dismuke; T. M. Stroud; J. J. Black; S. S. Edmondson; R. R. Borders; of Elba; Mr. G. W. Clark, Kinston; and Mr. and Mrs. Sam Williams, Troy.

Other guests were Mr. and Mrs. W. F. Holmes; Troy; Patsy Janet Newman, Andalusia; and Mr. and Mrs. Holman Taylor, Elba.

An additional 45 members of the Post and Auxiliary were also present.

Investment Club Forming In Elba

D. M. (Dud) English stated late Tuesday that he was now actively working on plans to form an investment club to build rental property in Elba. English is chairman of the Chamber of Commerce sponsored committee to form such a club.

Anyone desiring to be a charter member of this club is urged to contact English this week so that work can begin on these much needed houses soon.

The spring term of the Troy State College Branch at Fort Rucker began March 8th.

SEATED WITH OUTGOING HOG PRODUCERS ASSOCIATION President, Ira Allen, left, are left to right Robert English, President, M. C. Wilkes, Vice-President, and Rufus R. Wilson, Secretary-Treasurer. Standing left to right is new director, George Collier, along with directors, Wildon Bryan, L. B. McCall, and A. W. Wilson. The group met with other members and their wives at the second annual meeting of the Coffee County Hog Producers Association in Elba recently.

THE FOUR GIRL SCOUTS pictured above will have their art work displayed Sunday, March 12th, at the Montgomery Museum of Fine Arts when it's spring exhibit for children. Each girl was a blue ribbon winner in the Elba - Enterprise - Geneva Girl Scout Arts Festival that attracted some 500 entries.

Representing Elba at the museum will be the creations of Judy Kelley and Teany Kelley, daughter of Mr. and Mrs. George Kelley; Jana Brown, daughter of Mr. and Mrs. Arlan Brown; and Brenda Cox, daughter of Mr. and Mrs. Walter Cox. The display will remain until the end of May.
